OCTOBER Bridge Tips

It is important to count declarer's tricks as the play progresses. If you find yourself on lead and can see that declarer has enough tricks in three suits to make the contract, shift to the 4th suit. Some chance is better than no chance.

The best time to lead a short suit is with trump control. Ax(x) or Kxx are great trump holdings to lead from shortness. However, if ruffing will cost you a trump trick, leads from shortness with trump holdings such as J10xx, QJ9x or KQ9x are counterproductive.

If one (or both) of your opponents is a passed hand, assume that player has fewer than 12 HCP. If that player turns up with 10 HCP early on, play the partner for any missing queen, king, or ace.

Duplicate Etiquette at BAND—Play Nice!

MANNERS ARE IMPORTANT Greet your opponents at the beginning of the round and smile! At the end of the round, they are still your friends.

SILENCE IS GOLDEN Conversation stops when you remove your hand from the board.

THINK BEFORE YOU TOUCH Once you have decided on a bid in your mind, then choose the bid from the box. Don't let your fingers do your thinking!

AFTER A STOP CARD COMES DOWN, wait 10 seconds before making your next bid.

PLAY OF SINGLETON A player may not attempt to mislead an opponent by hesitating with a singleton.

TIME IS OF THE ESSENCE Once the auction is complete, make your opening lead and table the dummy before you write the contract in your private score. Remember to lead face down!

WHAT HAPPENS IN THE CURRENT ROUND...STAYS IN THE CURRENT ROUND Once the round is finished, you may then discuss hands from the current round. Refrain from discussion between hands. Hands from previous rounds should not be discussed during game.

SNAPPING OF YOUR CARDS IS FROWNED UPON And your cards don't like it either!

YOUR MOTHER'S RULE If you can't say something nice, don't say anything at all!

HAVE FUN! At the end of the day, we are all here to meet new friends and to have a good time.
